Additional Note: All .1 mixed practice assessments will be **spiraled** and contain skills from *previous* quarters and or grades. Therefore, .2 assessments will *only* contain skills from the current quarter to ensure that we provide a **true 9 weeks test**. First Grade students will begin testing on MPT 3.1 during the second semester; the spiraled assessments at 3.1 and 4.1 will contain skills from semester one. The first grade 3.2 MPT, like the regular 9 Week tests, will contain skills from Quarter 3 only.
