Student:_____Teacher:_____

Starting Date: _____/_____/_____ Ending Date:_____/_____/_____

Teaching Strategies/Interventions Used to Introduce/Reinforce Skills (Include programs utilized)	**Intervention Results-** Overall, how well is the student progressing in the general curriculum? (List **grades** on Weekly Tests, DMP's, Benchmarking- Include **date** administered for each)
List subject(s): (Reading, Language, Math, etc.)	
Behavior (if applicable):	

Tier I Instruction

- **For *all* students**
- **Research based programming**
- **Minimum of 90 minutes per day for each subject**
- **Implementation by general education teacher in the general education class**

Possible Interventions to Consider for Tier I

- **Explicit, systematic small group instruction within the classroom**
- **Instruction that has been broken down into small, manageable steps**
- **Instruction using a different teaching strategy**
- **Instruction using a different response mechanism**
- **Provision of additional practice activities with immediate, specific feedback**
