

MSIS Reference Sheet

Intervention Screen (TST Fields)

Referred to TST Date: The date TST meets on the student. For “20 Day Students”, this is the first time they are met on within 20 days of school. For Tier 3 referral students, it is the first time a student is met on to initiate Tier 3 interventions.

TST Decision Date: The date the TST makes a final decision regarding intervention outcome, regardless of what tier the student is considered to be on. This date cannot exceed 90 school days from the above date (after DRT Review if student is on Tier 3).

Intervention Success: Choose **yes** or **no** for this field. Any students that **no** is chosen for must have gone through Tier 3 interventions.

Child Study Screen (MET fields)

MET Referral Date: The date the TST refers the student to the MET. This date is going to be the same as the TST Decision Date above.

MET Response: There are three options here: Referred Back to TST, Remains in Regular Education, or Referred for Comprehensive Evaluation.

MET Response Date: This date is the date the MET decision is made. This date must be within 10 days of the MET Referral Date/TST Decision Date.

Parental Consent to Evaluate: yes or no

Parental Consent to Evaluate Date: The date the parent signed for permission to evaluate the student.

Eligibility Decision: Yes or no

Eligibility Decision Date: The date the eligibility meeting is held.

Parent Permission to Serve: Yes or no

IEP Date: The date of the initial IEP developed for the student.
