Too Many Tardies!

- Recently we have had a large increase in the number of tardies. Please do your best to arrive on time safe and sound. Remember Breakfast Ends at 7:20a.m. and School begins exactly at 7:30 a.m. every morning. Everyone at Anniston literally starts work right away as all children begin Math as soon as announcements are over. Minutes lost each day can equal a large amount of time absent from instruction over the course of the year. So please work with us to allow your child to not waste one minute of his or her educational experience at Anniston.
