

MEET THE TEACHER

all about me

Welcome to QUEST LAB! This year, we will work hard to challenge our gifted brains, as well as develop friendships and good character inside the classroom! My husband, Robert, and I have a five-year-old daughter at BVE and a one-year-old. They keep us very busy! Other than teaching, my passion is leading middle school small groups at my church, Trinity Methodist Church. Thank you for the opportunity to serve your students at Bayou View Elementary!
