- Tutorial Ends April 25, 2024

Testing Tips for Parents

- First, make sure your child receives enough sleep the night before the test.
- Second, make sure your child eats a healthy breakfast, so your child's mind can focus.
- Third, make sure your child starts the morning in a positive manner and gets to school on time every day for testing.
- Please try not to make appointments during testing. Once they start testing we can not get them out of testing.
- Electronic devices are not allowed in the testing area. (cell phones, watches, ipads, ipods, etc.
- If you child is absent, they will have a make-up day assigned to them.

These simple strategies will go a long way in helping your child do his/her best!

WE WANT TO BE AN "A" IN MAY!!!
