Modeling	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	Students will present their projects for Christmas Around the World.
Check for Understanding	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	Students will present their projects for Christmas Around the World.
Guided Practice	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	Students will present their projects for Christmas Around the World.
Independent Practice	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	ELA: Students will be working on their Christmas Around the World Projects during the short classes due to nine weeks exams.	Students will present their projects for Christmas Around the World.
Closure	ELA: Students will be working on their Christmas Around the	ELA: Students will be working on their Christmas Around the	ELA: Students will be working on their Christmas Around the	ELA: Students will be working on their Christmas Around the	Students will present their projects for Christmas Around the

	World Projects during the short classes due to nine weeks exams.	World Projects during the short classes due to nine weeks exams.	World Projects during the short classes due to nine weeks exams.	World Projects during the short classes due to nine weeks exams.	World.
Thinking Maps	Circle Map - Country chosen for Christmas Around the World and details describing the holiday in that country.	Circle Map - Country chosen for Christmas Around the World and details describing the holiday in that country.	Circle Map - Country chosen for Christmas Around the World and details describing the holiday in that country.	Circle Map - Country chosen for Christmas Around the World and details describing the holiday in that country.	Circle Map - Country chosen for Christmas Around the World and details describing the holiday in that country.
Spelling Words: No Spelling Words this Week					
Journal Writing: Daily journals will be a weekly daily grade.	Describe one gift you hope to get this holiday season and why.	If a Christmas tree could talk, what would it say?	Who would you rather have as a friend: a helpful elf or a snowman that magically came to life? Why?	What would it be like to live in a gingerbread house?	Today is the first day of winter, describe your favorite winter activity?
Second Step	Lesson 9, Unit 2				
	What Can I Change?
