Mrs. Erin Anderson

## About Me

Hello! I am Erin Anderson, and I am thrilled to be your child's Kindergarten teacher! I was born and raised right here in Gulfport. I attended Bayou View Elementary, Bayou View Middle School, Gulfport High School, and finally the University of Mississippi (Hotty Toddy!). During my time at Ole Miss, I received my bachelor's degree in Elementary Education and my master's degree in Curriculum & Instruction. I am also certified in Gifted Education as well as Mild/Moderate Disabilities. This will be my ninth year teaching kindergarten, and I am thrilled to have the privilege of instilling a love for learning in your child.

Kindergarten is a magical year. Your child will grow not only academically, but socially and emotionally as well. I believe that learning starts at home, and I'm excited to be joining your "team"!

## Welcome!

I am excited to welcome you to Bayou View Elementary! What a wonderful journey we are about to embark on together! I am eager to get to know each and every one of you. Kindergarten is such a special year with so many fun learning activities to celebrate.

My most important goal is to create a family of learners in our classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. You will not believe how much your little Viking will learn and grow this school year!

## Contact Me

I welcome and value parent involvement and input! I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
