SET SAIL ON A 4TH GRADE VOYAGE

I am thrilled that **YOU** will be part of my homeroom class this year! Fourth grade is a year filled with new and exciting experiences, and I am lucky to be one of the captains of your voyage. This year, you will have two teachers: Mrs. Ellett and myself. You will learn reading and writing strategies with Mrs. Ellett and explore math and science with me. In addition to experiencing two teachers, you will transition between classrooms. What a journey for us!
