

# NOVEMBER 2023

## West Elementary

### 3rd Grade News

### Our Target Skills

#### Reading:

- Refer to parts of stories, dramas, and poems when writing or speaking about a text, using terms such as chapter, scene, and stanza; describe how each successive part builds on earlier sections.

#### Math:

- Multiply to find area.
- Add areas.
- Solve one and two-step word problems using all four operations.

### Thankful for You!

Parents,

We are so thankful for our supportive parents. It takes a village to reach success! Please continue to monitor that your children are completing their homework assignments daily, bringing home graded papers on Wednesday, and giving their best effort. Also, please have your child reading daily. Just 20 minutes of reading daily can improve literacy leaps and bounds! Don't forget to study math facts too. Have a Happy Thanksgiving!
