

# Meet Your Teacher

## Mrs. Clay

Welcome to 5<sup>th</sup> Grade! I will be your homeroom teacher this year!

In 5<sup>th</sup> grade we rotate classes just like the middle school. As a result, you will benefit from five great teachers. Mrs. Estes teaches Math. Mrs. Krosp teaches Science. Mrs. Skalski teaches ELA/Social Studies. Mrs. Parker teaches Reading, and this year I will be teaching Law-Related Reading. We will have a lot of fun reading Great Foundation Stories, studying law, researching, debating, having mock trials, and so much more!

I hope you have had an amazing summer. I can't wait to see you soon!

### a little about me:

This marks my 10<sup>th</sup> year in education! I love educating young minds! I finished my undergraduate at The University of Southern Mississippi and earned my master's degree in education at William Carey University. I'm married with two children. We love to be outside with our friends and be on the ball fields.
