# **THE LEARNING CENTER STUDENT - PARENT HANDBOOK**

## **FOREWORD**

**The purpose of this handbook is to give information to the students who will attend The Learning Center. It will provide an awareness of the opportunities and responsibilities that all are expected to share and accept, and it will reflect the purposes of The Learning Center.**

**The Learning Center of the Gulfport School District is a safety net school for academic and behavior purposes. Alternative behavior students from grades 4 – 12 in the Gulfport School District may be assigned to TLC for an initial 45-day placement.**

**Students who are referred for academic purposes in grades 7 and 8 will stay the entire year in our Safety Net program unless another available academic placement is made that is in the best interest of the student.**

**High school students may be assigned to our Blue School for credit recovery and/ or academic completion classes.**

## **MISSION STATEMENT**

**The mission of the Gulfport School District is to inspire each student to become a problem solver, lifelong learner, and productive member of society.**

## **SUPERINTENDENT'S MESSAGE**

**In an effort to keep our students and parents informed about programs, policies and procedures within the schools of Gulfport, we have prepared for you the 2020-2021 Student Handbook. The handbook contains general information about education in the Gulfport School District.**

**We encourage our parents to read this material with their child to better ensure that the student understands the information. If any aspect of the handbook is unclear or confusing to you, do not hesitate to talk to the principal of The Learning Center, at 897-6045, or Dr. Mike Tatum, Assistant Superintendent, at 865-4706, or call me directly at 865-4605.**

**The success of your child is crucial to future school success. It is our desire to partner with parents to make this year as successful as possible for each student at The Learning Center. We look forward to the effort.**

**Glen East  
Superintendent**

### SPECIAL NOTE

Emergency Operations - The Harrison County School District and the Gulfport School District are separate school districts, and neither is connected to the other in any way. Students who attend The Learning Center are to follow the Gulfport School District calendar. In the event of an emergency weather situation that necessitates the closing of school during the school day, parents are asked to listen to the radio and/or local television for announcements. If such an announcement is made, please be prompt in picking up your child(ren), as school personnel also will need to leave as soon as possible.

Americans With Disabilities Act-The Gulfport School District will not discriminate on the basis of disability in admission or access to, or treatment or employment in, its programs and activities to the extent provided by law.

**GULFPORT  
STRATEGIC PLANNING MISSION STATEMENT**

The mission of the Gulfport School District is to inspire each student to become a problem solver, lifelong learner, and productive member of society.

**BELIEF STATEMENTS**

We believe that:

- All people are responsible for the choices they make.
- Family is the most powerful influence on children and society.
- All people can learn, but at different rates and in different ways.
- Self-worth and self-respect are essential to self-fulfillment.
- High expectations yield higher achievement.
- There is basic worth in every individual.
- Education provides access to unlimited opportunities.
- Learning is a life-long process.

**ALCOHOL, DRUGS, AND SMOKING/VAPING**

The laws of the State of Mississippi are clear concerning the issue of controlled substances. **THE POSSESSION OR USE OF ANY AMOUNT OF CONTROLLED SUBSTANCE IS ILLEGAL AND PROHIBITED BY STATE LAW.** In compliance with this, the Gulfport School District makes its position clear relative to the use, sale, manufacture, or possession of any controlled substance on or in any part of the campuses or buildings of the District during any period of time when students are subject to the authority of school personnel. The following procedure has been adopted by the Board of Trustees of the Gulfport School District.

After gathering evidence that a student is using or possessing alcohol, drugs, drug paraphernalia, or any other controlled substance, the administrator will:

1. Provide the student with oral and written notification of the nature of the violation, and intended punishment.
2. Provide the pupil with an opportunity to tell his/her side of the story.
3. Explain the evidence of the violation upon which the administrator is relying.
4. Notify the parents/guardians of the charges and intended punishment.
5. Suspend the student for five (5) – nine (9) days.
6. Schedule a hearing with the principal, parents/guardians, student, and superintendent within the five-day suspension period.
7. At the hearing, the following actions may be taken:
  - a. All charges dropped and the suspension lifted,
  - b. Suspension extended,
  - c. A recommendation for expulsion be made to the Board of Trustees of the Gulfport School District, or
  - d. A recommendation be made that the student be allowed to withdraw from school; and

8. Inform all parties that they have a right to appeal all decisions to the Board of Trustees of the Gulfport School District and to request a Board hearing at any time.

It is our goal and intention to provide all students of The Learning Center the opportunity to receive an education in the healthiest atmosphere possible.

Therefore, we hope that cooperation will replace confrontation and the enforcement of this policy will not become necessary. School authorities will cooperate with law enforcement officials concerning a student's unlawful possession of alcohol, drugs, drug paraphernalia, or any other controlled substance.

#### **ARTICLES PROHIBITED IN SCHOOL**

Problems arise each year because students bring articles that are hazardous to the safety of others or interfere in some way with school procedures. Such items as artificial mouth ware, book bags, toothpicks, sunglasses, toy guns, water pistols, slingshots, more than \$20, ball bats, skateboards, stickpins, containers, radios, electronic games, jewelry, hats, candy, computer disks, gum, picks, incense, binders, trapper keepers, make-up, combs, brushes, laser pens, lights, photographs, magazines, etc., if brought to school, will be impounded. In addition to having the prohibited items impounded, the student may be subject to disciplinary action. Some items will be returned at the discretion of the principal while other items may be discarded. The school is not responsible for impounded articles.

Cellular phones, and/or other communication devices are not allowed on the campus. If confiscated, these items will be impounded until the student returns to his/her home school. Carrying fireworks, firearms, knives, items that can be mistaken as a weapon, and/or other implements that can be used as a weapon is strictly forbidden and the strongest disciplinary action will be taken. These items will also be impounded. A student bringing any weapon on campus may be recommended for expulsion. Law enforcement authorities will be notified. A "weapon" means a firearm, BB gun, pistol, revolver, shotgun, rifle, machine gun, disguised gun, dagger, dirk, razor, stiletto, switchblade knife, gravity knife, brass knuckles, sling shot, metal knuckle knife, box cutter, cane sword, electronic dart gun, Kung Fu star, electronic stun gun, pepper spray or other noxious spray, explosive or incendiary bomb, or other device instrument, material or substance that can cause physical injury or death when used.

Purses must be placed in an assigned area as the student enters the building and remain there until the student leaves school for the day.

Large overcoats or trench coats are not allowed at The Learning Center.

#### **ASBESTOS**

Our school building has been inspected for friable and non-friable asbestos as required by the Asbestos Hazard Emergency Response Act. Results of these inspections are on file in the principal's office and at the central office. If you wish to inspect these records, please contact the appropriate school official.

## ATTENDANCE

Punctual and regular attendance is of paramount importance for a student's academic success. Each student should attend school every day. When it is necessary for a student to be absent from school, the parent or legal guardian is requested to telephone the office (897-6045) on the day of the student's absence. A student who is absent from school is responsible for completing missed assignments.

### Attendance Law

The attendance law of the State of Mississippi serves to ensure that parents / guardians have their children in school unless an absence is of absolute necessity.

**A. Lawfully excused absences include the following:**

1. Illness or injury (Doctor/School Nurse note must be provided).
2. Death or serious illness of a member of the immediate family.
3. Medical or dental appointment (Doctor's excuse must be provided.)
4. Court appearance (Court papers must be provided).

**B. Parent Liability**

1. If a child has accumulated 5 unlawful absences, the principal or school superintendent will report the absences to the MS State Attendance Officer and/or Family Court.
2. Parents / guardians who refuse or willfully fail to adhere to this law will be guilty of negligence and upon conviction will be punished in accordance with Section 97-5-39 (Mississippi Code, 1972.)

### Absences

- A. If the student will be late or absent for the day, it is the parent's/guardian's responsibility to contact the school.
- B. All absences are reported to the student's referral school. The student's referring school will determine if that student fails academically due to absences.
- C. Absences are reported to MDE at the end of each calendar month. Once reported, the absence classification may not be changed. If a student is absent through the end of one month and into the beginning of the next month, an excuse must be brought in by the last day of the preceding month to be counted for that month. Another excuse must be brought in within 3 days after the student returns to school.

### Check-Ins

A parent or guardian must accompany students checking in after 8:10 a.m. Students who report to school late must report to the office with a parent or guardian to sign in and get a pass to class. Students then report immediately to class. Failure to do so will result in truancy. All students who check in late will be treated as tardy or truant unless the principal excuses the incident. Students must be present a minimum of 67% of the day to be considered present for the day. Students who check-in unaccompanied by a parent or guardian to sign them in will be placed in ISS until the parent or guardian can be contacted.

### Checking Out of School

No student will leave school without permission from the principal or designee. Please do

not check out students during the last 30 minutes of the school day because of interruptions in instruction as well as safety issues. Students will be allowed to check out of school for personal illness or verified emergencies. A parent or guardian must sign the student out before the student is allowed to leave school.

### Leaving Campus

A student is considered to be in attendance at The Learning Center immediately upon entering the school bus, campus and/or grounds. No student, whether transported on public or private conveyances, may leave the school campus or grounds without first obtaining written permission from the office. Failure to comply with the above policy will result in disciplinary action or arrest.

### Truancy

- a. A student is considered to be truant if absent from any class without the knowledge and permission of the parent. Additionally, any student who leaves campus without following the checkout procedure is truant.
- b. In order to notify the school of a student's absence, parents are to call the school to report all absences (897-6045).
- c. Each individual truancy case will be decided by the principal with appeal rights of the decision through the Superintendent and the Board of Trustees.

## AUTOMOBILES AND PARKING

No student automobiles will be allowed on campus. Students are not permitted to drive or walk to school. Students will be transported to and from school by bus or parent.

## BUS CONDUCT AND TRANSPORTATION

Questions and inquiries regarding stops, routes and student eligibility must be directed to the Transportation Department. Students are allowed to ride their assigned bus only. Students are assigned to buses and bus stops according to their address of record. Students must board and exit the bus at their designated bus stop. Failure to do this will result in suspension. Students may not ride on a bus from another school district. The privilege of riding the bus carries with it some responsibilities on the part of the student and the student's parents or guardians. Drivers are expected to keep order and discipline on the bus, but their major responsibility is driving the bus. A student's failure to conform to acceptable standards of behavior and courtesy will result in his/her being subject to disciplinary action by the building principal. Therefore, students are expected to cooperate with the following regulations:

### SCHOOL BUS REGULATIONS

The cafeteria is operated on a non-profit plan in cooperation with the State and Federal Lunch Room Program. The meal consists of a well-balanced lunch and a carton of milk. The cost for breakfast is one dollar and twenty-five cents (\$1.25) full rate, or thirty cents (\$.30) for reduced rate. Lunch is two dollars and fifty cents (\$2.50) for full rate and forty cents (\$.40) for reduced rate. We suggest your child pay by the week for lunch and breakfast on Monday morning. The cashier in the cafeteria collects all lunch money. Teachers are not responsible for students' lunch money. Students are not to bring items for lunch that must be cooked or heated before eating. Students who bring lunch may purchase milk for 50 cents; however, students are not to bring soft drinks. Milk is the only beverage provided by the school that will be available to students in the cafeteria. Students are not permitted to charge meals. All students will report to the cafeteria for lunch. No one will be allowed to go off campus for lunch. All students are encouraged to patronize the cafeteria daily. Any eating or drinking during lunch must take place in the cafeteria.

#### CANCELLATION OF SCHOOL

Cancellation of school takes place only during circumstances such as extreme weather, equipment failure, or public crisis. The Gulfport School District Board of Trustees and administrators are aware of the hardship that can be caused by an abrupt cancellation of school. Therefore, school will not be cancelled unless a significant safety risk has been created by unusual circumstances. Every practical means is used to notify parents of a cancellation, including radio, TV, etc. Please listen for such announcements; and remember, we are the Gulfport School District, not the Harrison County School District.

#### CARE OF BUILDING

As good citizens, students are expected to assist in the care of the building and the grounds by using waste baskets and trash cans for the disposal of waste materials. Students should make a special point to help protect our school property from damage or abuse. Writing on or defacing school property may be considered an act of vandalism. This may result in an arrest.

#### CELL PHONES/BEEPERS/COMMUNICATION DEVICES

Because of the recognized association with drug trafficking, the use of beepers, cellular phones, or any communication device is prohibited by students on school property or during any period of time when on campus or school bus. All cell phones/beepers/communication devices will be taken and held in the office until the student returns to his/her home school. The school is not responsible for impounded articles.

#### CHANGE OF ADDRESS AND PHONE NUMBER

To promote better communication between school and home, the school must have your current address and phone number. Report any changes in address or phone numbers to your student's school as soon as the change takes place. A change in transportation arrangements will not occur until the address of record has been changed. Two proofs of residency will be required to change the address of record.

#### CHEATING

Cheating will not be tolerated. Violation of this rule will result in the student being assigned a zero for the assignment or administered an alternative exam. ISS/OSS may be assigned.

#### CHILD ABUSE

School personnel are required by law to report suspected child abuse to the appropriate agency. (MS Code 43-21-353)

### **CONFERENCES**

Parent-teacher conferences are encouraged. Parents may call the office and request an appointment, which must be scheduled during the teacher's planning time or before or after school. When possible, conferences should be scheduled at least 24 hours in advance.

### **COMMUNICABLE DISEASES & ILLNESSES**

A student with a communicable disease or illness, such as chicken pox, measles, flu, pink eye, COVID-19, etc., must remain at home until the disease is no longer a threat to other students. Prior to the student's return to school, health clearance from the child's physician, the Mississippi State Health Department, or the school nurse must be provided to the school.

### **COMPUTERS**

The Learning Center provides each student the opportunity to complete a portion of his/her work with the use of several network software programs. Students are to only log on the programs with the password assigned to them. Students are only allowed to use the computer programs authorized by the teacher. Any violation of this rule will result in serious disciplinary action. Any damage to the computers or the programs will result in the student's paying for the damage and possible suspension or referral for expulsion. The Internet Use Policy (GSD Policy GAHC/GAHC-R) is strictly adhered to.

### **COUNSELING SERVICES**

The counselor, like the teachers and administrators, are here to help students to become all they are capable of becoming and to provide specific services to students attending The Learning Center. These services are directed toward:

1. Motivating and improving the student's interpersonal skills and relationships;
2. Developing personal goals within the norms of society and community;
3. Modifying behaviors that interfere with the academic functioning of the students;
4. Engaging family members of the students in creative family-student-school partnerships;
5. Collaborating with faculty for a positive community to meet the school's mission.

Concerned parents and students may contact the counselor at school any time between 8:00 a.m. and 3:30 p.m., Monday through Friday. The phone number is 897-6050. Students should get permission from their teachers when they need to see a counselor during any part of a class period.

### **DISASTER DRILLS**

1. Tornado – The signal for a tornado drill will be one long ring of the bell. If the bells are not working, runners will notify the teachers or the intercom system will be used. Students must move quickly in an orderly manner to their designated areas under the direction of their teacher. One long ring of the bell will signify the end of the drill. The school will have at least one tornado drill per year.
2. Fire Drill – The signal for a fire drill will be a series of three short rings of the bell. Students must move quickly and in an orderly manner along assigned routes from the building to a safe outside area. One long ring of the bell will signify the end of the drill.

## DISCIPLINE PROCEDURES

The goal of a discipline policy is to change student behavior. Every student should strive to achieve a high standard of self-discipline. A student should be conscious that his/her conduct should always serve as a worthy example. We believe that a discipline code which promotes mutual respect based on the following statements is essential to the operation of an effective school.

1. All students can choose to behave responsibly.

### In-School Detention (ISD)

When a student is assigned to ISD, he/she is given a copy of the rules. The rules are as follows:

### **DISTANCE LEARNING**

In the event of a long term school closure, Gulfport School District may make distance learning opportunities available to students. This may include sending home additional work and available electronic devices for online learning opportunities. Parents must agree to pay for any lost or damaged electronic devices.

### **DRESS CODE**
