BVE FIELD DAY

March 17, 2023

Second grade students will participate in events from 9:35-11:05 AM. Parents are welcome to attend. You can check in through the office that morning and meet your child's class outside.

As in years past, several events will include water. Your child will need to wear a swimsuit UNDER his/her clothes to school Friday morning. Your child will wear these clothes during all events. Due to racing/running, your child must also wear closed-toe shoes with backs/backstraps. Please understand that these shoes will get wet, so Crocs or swimming shoes may be best. NO FLIP FLOPS, please. We also ask you to apply sunscreen to your child before coming to school. We will not be able to apply it once they arrive in the classroom.

After all the events are over, we will be inside for the remainder of the day. Please send in a FULL change of clothes (shirt, shorts/pants, underwear, socks, and dry shoes) plus a towel for use after the Field Day events. Please understand that your child must have a dry change of clothes if they wish to participate in the water events.

Thank you for your help with this! We are looking forward to a FUN day! ☺
