

	Monday	Tuesday	Wednesday	Thursday	Friday
Standard	6.NS.2 Fluently divide multi-digit numbers using the standard algorithm. 6.NS.3 Fluently add, subtract, multiply, and divide multi-digit decimals using the standard algorithm for each operation. Review of all 5th grade remediation skills.				
Weekly Notes		Faculty Meeting ELA Diagnostic	Team Meeting ELA Diagnostic		
Essential Question	Analyze the specific task for today's "Design a Field Trip to Space" project. Which 5th grade skill is being used and what must you already know in order to complete the task?				
Bell Work	99 math multiplication remediation				
Procedures	Students will create a spaceship dashboard using gauges to display the cost of the two field trips to space.	Center Rotation 1	Center Rotation 2	Center Rotation 3	ST Competition
Early Finishers	Students will complete a teacher assigned lesson in iReady to practice				

Table 1 Mrs. Whittet's Group	Table 2 Past Skill Remediation	Table 3 Past Skill
Design a Field Trip to Space The students will use a coordinate plane to develop a seating chart for their passengers.	Roll, Write Solve Students will practice various 5th grade skills in a competition style game against a partner. They will roll two dice, and solve the problem in that location. If correct, they gain the point for that box.	Find the Error Students will analyze the answer choice of a fictional student. They must determine where the student made a mistake, and then they must correct the problem.
