Dear Business Friends Bayou View Elementary:

What a crazy year it has been! We are so grateful for the opportunity for our children to be at a school that embodies a wonderful, safe, and nurturing environment. First off, we would like to thank our previous sponsors for the annual Friends of Bayou View Campaign. Due to the COVID-19 pandemic this previous year, your companies were not recognized as they should have been at their appropriate sponsorship levels, so we would like to take a moment and thank you all for your donation this past year. We have attached a list of company names and logos in this packet and appreciate all you have given. Again, thank you! With that being said, it is time to kick off our annual Friends of Bayou View campaign! This year we are reaching out to you, our business supporters directly. We appreciate your continued support and ask you to please consider supporting BVE again this year. Without support of friends like you, we would not be able to help provide our students the necessary tools they need due to limited funding. Just this past year, the PTA has aided BVE in the following ways:

- Supplied the school with preventative Covid-19 supplies including masks, shields, and partitions for the front office
- Purchased educational classroom books
- \$150 teacher gift cards for every teacher at the start of school to help prepare classrooms
- Provided goody bags for special recognition of honor roll and citizenship
- Teacher hospitality
- Supplied prizes for the positive behavior cart
- Supplied each teacher with a yard sign for Teacher Appreciation Week
- Purchased carts for our teachers to travel from classroom to classroom due to Covid-19
- Purchased a Math software program for grades 2-5

PTA also has many exciting new ideas to continue with the enrichment of Bayou View Elementary for this year. Money raised through our PTA will help fund ongoing technology needs in our classrooms and multiple other requests from our administration and staff. We are asking you to help make this a reality and we thank you in advance for your consideration in becoming a "Business Friend of Bayou View Elementary" this year! Please note that all donations to our non-profit organization are **tax-deductible under tax ID 64-0732175**.

Please see the attached form for information on the different levels of sponsorship. To become a "Business Friend of Bayou View Elementary", choose a sponsorship level, fill out the requested information, and mail with your donation to the address shown. The deadline to be included on any printed materials is **Friday, September 30**. Thank you for supporting our children and our school.

Sincerely,

Courtney Blacklidge
