Dear Parents/Guardians,

The Gulfport School District would like to know how well you think your child's school is doing. Please take a moment to complete the online survey. The survey should only take you approximately 15 minutes to complete.

The survey is located on the district's website ([www.gulfportschools.org](http://www.gulfportschools.org)) and may be accessed by clicking the GSD Parent and Student Surveys link on the District's home page. Please select your child's school from the list under Parent Surveys.

If you do not have internet access and would like to complete the survey, you may come to the school to complete the survey or a paper survey can be provided for you.

**Universal Screeners: BVMS will begin administering the Review 360 Universal Screener the week of Jan. 7th.**

NAEP: A select group of 8th graders will take the NAEP assessment on Feb. 1st. If your child was chosen and you have questions, please contact Mrs. Brunn
