

Speech Therapy Mrs. Williams MAY 2022

What is Speech - language therapy??

Speech language therapy is provided by speech - language pathologists to address needs in articulation (how we produce sounds), language (how we use and understand words), stuttering (interruptions in the rate and flow of speech) and any other difficulties which affect our ability to communicate effectively.

To receive speech-language therapy in school, a student must demonstrate speech and/or language difficulties which negatively impact their academic success.

READ READ READ!!!!

Reading aloud with your child is a great way to promote speech and language development. It demonstrates appropriate articulation skills, use of intonation and expression, and teaches new vocabulary. It helps children to understand sequence, setting, characters and plots. Below, see a list of great books that reinforce all of the above listed skills!!

Enemy Pie	Baa! Moo! What Will We Do!	Stand Tall, Molly Lou Melon
The Day the Crayons Quit	Last Stop on Market Street	The Little Snowplow
Julius Baby of the World	Dog Vs. Cat	Room on the Broom
Strictly No Elephants	Chrysanthemum	Chester's Way
Lilly's Purple Plastic Purse	Owen	The Little Old Lady Who Wasn't Afraid of Anything
Spookily the Square Pumpkin	Creepy Carrots	Ninjabread Man
A Camping Spree with Mr. Magee	Down by the Sea with Mr. Magee	Learning to Ski with Mr. Magee
Where the Wild Things Are	Too Many Carrots	Fletcher and the Springtime Blossoms
The Mitten	Officer Buckle and Gloria	Apple Trouble

If these can't be found at your local library, there are lots of available free read alouds online!
Happy Reading!
