

CHAIR SEATS

ALL STUDENTS:

Scissors

Bucket or dishpan to soak materials

Spray bottle for water – (an old 409 or plant mister size bottle will be easier to use than a small Windex pump type bottle).

IN ADDITION FOR YOUR TYPE OF CHAIR:

For Traditional Laced Cane Seats:

Awl or ice pick

Small needle nose pliers

For Machine Woven Cane Seats:

Razor knife

Small needle nose pliers

Hammer

For Splint or Rush Seats:

Desk type stapler

Pliers

Flat blade screwdriver

Hammer

Several clothes pins

NOTE: If you have basket making tools, bring them, but if you do not already have these, do NOT go out and buy them.

If you have questions, please call, (228) 466-4891, or send me an E-mail (jorusin@JoRusin.com).
